

## Celery Critters

1. Wash all fruit and vegetables. Anything that you are going to be using.

2. Cut celery into small pieces (about 3-4 inches)
  - a. If using apples or oranges instead of grapes, cut those into thin rounds.

3. Spread peanut butter or nut butter (whatever you chose to use) on the inside of the celery.

4. Place the fruit toppings that you choose on the celery to make little celery snack critters!
  - a. Depending on what fruit you use, you can make different critters
    - i. Grapes or blueberries - caterpillar
    - ii. Apple circle cut in half- butterfly
    - iii. Raisins- "ants on a log"
    - iv. Orange or apple circle slice- snail
